blog area
same as in starter

CMS-Content Management System

ENTERPRICE PACKAGE

from E7000
e-commerce
customized web applications

CMS Content Management System

Above are the revised pricing details for our packages: All our packages come with customized emails at your domain or email forwarding

We offer flexible payment arrangements for all our customers, depending on the chosen package. For the Starter Package, we initiate work upon receiving a 60% deposit of the final quote, with the balance payable over 2 months in 20% installments.

For the Business and Enterprise Packages, work commences after a 40% deposit, and the remaining 60% is spread over 3 monthly installments of 20%. Please note that fixed costs, such as domain and hosting, must be paid in full separately, as they are third-party expenses.

We look forward to the opportunity to discuss this proposal with you in further detail and to embark on a successful partnership.
